

# Great science plays here.

## York University | Science Engagement Programs Children's Workshops at Erin Meadows Library

**Saturday, February 18th, 2017**

**Register now** for children's science workshops delivered by York University's renowned Science Engagement Programs. Workshops are designed for children from Grade 3 to Grade 8.

- **Terrarium – 9:30am to 10:45am (Ages 8 to 10)**  
Students will design and build a terrarium to explore concepts of the water cycle, plant growth and ecosystems
- **My Robotic Friend – 11:00am to 12:30pm (Ages 8 to 10)**  
Students will explore how computers work by modelling computer function and learning about programming logic.
- **Energy and the Environment – 1:00pm to 2:15pm (Ages 11 to 14)**  
Students will learn to construct animal food webs while investigating the effects of pollution through biomagnification.
- **Photovoltaic Solar Cells – 2:30pm to 3:45pm (Ages 11 to 14)**  
Students will design and construct solar powered cars.

To register, please visit Erin Meadows Library or Phone 905-615-4750.
