

Great science plays here.

York University | Science Engagement Programs Children's Workshops at Woodlands Library

Thursday, March 16th, 2017

Register now for children's science workshops delivered by York University's renowned Science Engagement Programs.

Workshops are designed for children from Grade 3 to Grade 8.

- **Fun Friction – 10:30am to 12:00pm (Ages 8 to 10)**
Students will design, build and test cars to investigate the laws of physics.
- **Feathered Foragers – 12:00pm to 1:00pm (Ages 8 to 10)**
Students will learn about the evolution of birds, and work together to survive as a flock.
- **Eye-R – 2:00pm to 3:30pm (Ages 8 to 10)**
Students will learn about different forms of electromagnetic radiation and its harmful effects on the human eye.
- **Tables and Towers – 3:30pm to 5:00pm (Ages 8 to 10)**
Students will design, build, and test towers to withstand various environmental factors.

To register, please visit Woodlands Library or Phone 905-615-4825.
