

Great science plays here.

York University | Science Engagement Programs Children's Workshops at Central Library

Friday, July 21th, 2017

Register now for children's science workshops delivered by York University's renowned Science Engagement Programs.

Workshops are designed for children from Grade 3 to Grade 8.

- **Colourful Carnations - 9:30am to 11:00am (Ages 8 to 10)**
Students will learn about uptake and water retention within different types of plants.
- **Tables & Towers - 11:15am to 12:45pm (Ages 8 to 10)**
Students will design, build, and test towers to withstand various environmental factors.
- **Energy and the Environment - 1:45pm to 3:15pm (Ages 11 to 14)**
Students will learn to construct animal food webs while investigating the effects of pollution through biomagnification.
- **Rockin' Rollercoaster - 3:30pm to 5:00pm (Ages 11 to 14)**
Students will design and construct models of rollercoasters to investigate the laws and principles of physics.

To register, please visit Central Library or Phone 905-615-3200.
