

# Great science plays here.

## York University | Science Engagement Programs Children's Workshops at Central Library

**Friday, July 28th, 2017**

**Register now** for children's science workshops delivered by York University's renowned Science Engagement Programs.

Workshops are designed for children from Grade 3 to Grade 8.

- **Living Lungs - 9:30am to 11:00am (Ages 8 to 10)**  
Students will design and build a working model of the respiratory system.
- **Coding with Colours - 11:15am to 12:45pm (Ages 8 to 10)**  
Students will investigate about the use of colour in computer science through Ozobots and computer-generated sprites.
- **Bacteria Biology - 1:45pm to 3:15pm (Ages 11 to 14)**  
Students will construct models of bacteria and compare them to cells within the human body
- **My Robotic Friend - 3:30pm to 5:00pm (Ages 11 to 14)**  
Students will explore how computers work by modelling computer function and learning about programming logic.

To register, please visit Central Library or Phone 905-615-3200.
